02 / FOUNDATION

Brand voice and content strategy

A simple system for captions that feel consistent, useful and action-oriented.

THE BRAND	AUDIENCE	TONE OF VOICE
VOLT ATHLETICS	Adults aged 18-35 interested in fitness, gym training and healthy habits.	Confident, motivating, practical and approachable.

THREE CONTENT PILLARS

01	MOTIVATION	5 CAPTIONS	Encourage consistency, realistic goals and positive habits.
02	EDUCATION	5 CAPTIONS	Share useful, beginner-friendly fitness tips in accessible language.
03	PROMOTION	5 CAPTIONS	Invite enquiries about training and trial-session availability without unsupported promises.

EVERY CAPTION HAS A JOB

01 / HOOK	02 / MAIN COPY	03 / CALL TO ACTION
Earn attention with the opening.	**Deliver one clear idea in plain language.**	**Give the reader a next step.**

Promotional captions are concept copy only. No actual facilities, offers, trainers or trial sessions are represented as verified.

03 / CONTENT SERIES

Five motivational captions

Build consistency, not pressure.

01 SHOW UP

MOTIVATION

HOOK **You don't need a perfect day. You need a starting point.**

BODY Some workouts feel easier than others. What matters is building a routine you can maintain. Start with a realistic goal, focus on good technique and keep showing up.

CTA **What's one fitness goal you're working towards? Tell us in the comments.**

TAGS #FitnessMotivation #Consistency #GymJourney

02 PROGRESS TAKES TIME

MOTIVATION

HOOK **Progress is built one session at a time.**

BODY Meaningful progress rarely happens overnight. Focus on learning, consistency and small improvements instead of comparing your journey with someone else's.

CTA **Save this reminder for your next training day.**

TAGS #FitnessJourney #WorkoutMotivation #ProgressNotPerfection

03 START WHERE YOU ARE

MOTIVATION

HOOK **Every experienced athlete was once a beginner.**

BODY You don't have to know everything before you start. Learn the basics, ask questions and build confidence at your own pace.

CTA **Tag a friend who is thinking about starting their fitness journey.**

TAGS #GymBeginners #FitnessCommunity #StartToday

04 BUILD THE HABIT

MOTIVATION

HOOK **Motivation changes. Habits keep you moving.**

BODY Make training easier to maintain by planning your sessions, preparing your essentials and choosing realistic goals. A routine that fits your life is easier to repeat.

CTA **Which habit helps you stay consistent?**

TAGS #HealthyHabits #TrainingRoutine #FitnessTips

05 YOUR OWN JOURNEY

MOTIVATION

HOOK **Compete with yesterday's version of yourself.**

BODY Your fitness journey is personal. Celebrate the effort you put in, learn from setbacks and focus on improvements that matter to you.

CTA **Comment with one small win from this week.**

TAGS #FitnessMindset #KeepImproving #GymMotivation

04 / CONTENT SERIES

Five educational captions

Useful fitness basics, written for real life.

06 WARM-UP FIRST

EDUCATION

HOOK **Before your workout, give your body time to warm up.**

BODY A suitable warm-up can help you prepare for the movements ahead. Start with light activity and gradually practise the movements you'll use in your session.

CTA **Save this as a reminder for your next workout.**

TAGS #WorkoutTips #GymBasics #FitnessEducation

07 FORM OVER EGO

EDUCATION

HOOK **Better technique matters more than showing off heavier weights.**

BODY Choose a load you can control with good technique. Learn the movement first and increase the challenge gradually as your ability improves.

CTA **Share this reminder with your workout partner.**

TAGS #StrengthTraining #GymTips #TrainSmart

08 RECOVERY COUNTS

EDUCATION

HOOK **Training is only one part of a fitness routine.**

BODY Recovery matters too. Build a balanced routine that allows enough rest, sleep and appropriate nutrition to support your training.

CTA **Which recovery habit are you working on?**

TAGS #Recovery #FitnessHabits #TrainingTips

09 KEEP HYDRATED

EDUCATION

HOOK **Keep water part of your workout routine.**

BODY Hydration needs vary with activity, climate and individual circumstances. Keep water available and pay attention to your body's needs during training.

CTA **Save this simple workout reminder.**

TAGS #Hydration #GymRoutine #HealthyHabits

10 MAKE A PLAN

EDUCATION

HOOK **Walking into the gym with a plan can help you stay focused.**

BODY Choose a realistic goal for your session, prepare a suitable workout and track what you complete. Keep your routine appropriate for your experience and ability.

CTA **Do you plan your workouts in advance? Comment below.**

TAGS #WorkoutPlan #FitnessTips #GymBeginners

05 / CONTENT SERIES

Five promotional captions

Open the door to a conversation - without overpromising.

11 START YOUR JOURNEY

PROMOTION

HOOK **Thinking about starting your fitness journey?**

BODY VOLT ATHLETICS is here as a concept for a welcoming fitness community. If you're exploring your options, ask about training facilities, suitable routines and how to get started.

CTA **DM “START” to enquire about trial-session availability.**

TAGS #FitnessJourney #GymCommunity #StartYourJourney

12 FIND YOUR ROUTINE

PROMOTION

HOOK **Your routine should fit your goals.**

BODY Whether you're learning the basics or building consistency, start by identifying what you want to work towards. A realistic plan can help you approach training with greater clarity.

CTA **Send us a message with your fitness questions.**

TAGS #FitnessGoals #TrainingRoutine #GymLife

13 QUESTIONS ARE WELCOME

PROMOTION

HOOK **New to the gym? Start with your questions.**

BODY Not sure what to expect from a gym visit? Ask about the facilities, training options and beginner-friendly guidance before deciding what's right for you.

CTA **DM us your questions.**

TAGS #GymBeginners #FitnessSupport #FitnessCommunity

14 MAKE TIME FOR YOU

PROMOTION

HOOK **Make room for a routine that supports your goals.**

BODY A sustainable fitness routine starts with realistic expectations. Explore your options, choose a schedule that fits your life and take the first step when you're ready.

CTA **Message “INFO” to enquire about available options.**

TAGS #HealthyRoutine #FitnessGoals #GymMotivation

15 TAKE THE FIRST STEP

PROMOTION

HOOK **Your next step doesn't need to be complicated.**

BODY Start by asking questions, learning the basics and finding a training environment that suits your needs. Small, practical decisions can help you begin with greater confidence.

CTA **DM “START” to ask about VOLT ATHLETICS.**

06 / METHOD

GOOD COPY HAS A PURPOSE.

Each caption is designed to make the message easy to follow and the next step easy to understand.

01	HOOK	Earn attention with a relevant opening.
02	BODY	Deliver one clear idea in accessible language.
03	CTA	Tell the reader what to do next.
04	HASHTAGS	Support topic discovery where appropriate.

THREE SAMPLE OBJECTIVES

MOTIVATION

Encourage comments and community interaction.

EDUCATION

Encourage saves and shares.

PROMOTION

Invite relevant enquiries.

CLEAR MESSAGE. RIGHT AUDIENCE. PURPOSEFUL ACTION.
